Recycling, Garbage, & Yard Waste

Mayor's Message

"Environment is no one's property to destroy; it's everyone's responsibility to protect." — Mohith Agadi

The City of Windsor is committed to making our community cleaner, greener, healthier and more sustainable. As the quote above suggests, each of us has an important role to play and is responsible for helping to protect and preserve our environment. Our individual day-to-day choices and actions directly impact our planet. As a community, we are on the right track. However, we can always do more.

Windsor was recently recognized by the Carbon Disclosure Project (CDP) with an A rating. Additionally, the development and implementation of the Sewer and Coastal Flood Management Plan, as well as local economic development projects, such as the NextStar electric vehicle battery plant and Stellantis' retooling for electric vehicles are steps Windsor is taking to support the net-zero transition. These projects make a big difference in our community, and so can you as a valued resident of Windsor.

The City of Windsor continues to look to undertake more zero-waste initiatives. In July, the Can-Am Police Fire Games were an example of what we want to do with more local events. The seven-hour opening ceremonies welcomed over 2,000 people but resulted in only two garbage bags being used as the incorporation of recycling and compost accounted for the remainder of the waste. While the event was not entirely waste free, it is certainly a step in the right direction. It is important that residents continue to aim for zero waste, eliminating as much unnecessary waste from their lives as possible.

This calendar provides valuable information and tips on what items can be recycled, and how to prepare them. We ask Windsorites to continue making positive strides in this area. We are all in this together, and I ask you to join me in the worthy cause to sustain the land that sustains us. Thank you for contributing to the success of our recycling program and doing your part to responsibly reduce, reuse and recycle.

Sincerely,

Drew Dilkens, City of Windsor Mayor

Waste Disposal Information

- You will receive **WEEKLY** garbage collection. Your garbage day will be identified by a garbage can symbol. ➡ 
- **DO NOT** set out garbage prior to 7:00 p.m. on the day before your collection.
- **Street Collection:** Place at the curb/road edge.
- **Alley Collection:** Place on the ground or on a stand (no higher than 16") at the alley edge.
- Your time of collection can vary. Please place your garbage out the night before or **by 6:00 a.m. on your scheduled collection day.**
- **If you have questions** regarding your garbage collection (ie. – what is acceptable) please **call 311.**
- **Unacceptable Garbage - These items will NOT be collected curbside:** Renovation and construction debris, animal waste, grass clippings, yard waste, cardboard, fluorescent tubes/lights, household chemical waste, paint products, medical waste, syringes, tires, couches, concrete, asbestos, bricks, appliances, metal items & electronic waste. **Bring these items to the Public Drop Off Depot.**
- **Non Compliant Containers:** Do not place garbage out in containers that are **Oversized & Overweight.** Containers cannot weigh over 20kg/45lb.

Acceptable Garbage Containers

125 Litres maximum size.

Garbage must be placed in bags inside a hard sided container.

Metal or Plastic Containers

- Maximum 125L capacity limit
- **Containers cannot exceed 20kg/45lb.**
- Maximum 78 cm/31" tall, 51 cm/20" diameter
- 2 handles and a water tight lid

Missed Collections

Missed collections are upsetting, but there is usually a reason why material was not collected as expected.

To ensure your materials are collected, please make sure they are:

- In acceptable containers (see page 3). Garbage must be placed in bags inside hard sided containers.
- **Out by 6:00 a.m.**
- **Do not overfill containers or place bags on top of containers.**
- **Not altered.** Lids must not be tied to pails.
- Within the weight limit of 20 kg (45 lbs).
- Not hidden behind a vehicle, snow bank, or other obstruction.
- Material is not frozen in pails and /or containers.
- Free of prohibited material (e.g. hazardous or construction/renovation waste).

Other reasons for missed collections are:

- Recyclables not separated properly in Red/Blue Box.
- Syringes found in garbage pails or recycling boxes.
- Garbage/Recyclables/Yard Waste not scheduled for collection that particular day/week.
- Damaged containers/carts i.e. missing bar, wheels or handle.

If an item is not collected for reasons other than the above, please call 311.

TIP: Put drainage holes in the bottom of your container to allow liquids to drain out.

Not All Plastic is Recyclable

We wish we could recycle all plastics, but that would be *wish-cycling*.

Putting non-recyclable plastic in your blue box increases costs to you, the taxpayer. Help keep costs down by following the guide on page 2.

Still not sure?

Use the “What Goes Where?” function on the **Recycle Coach App**, call 311, or visit www.ewswa.org.

Other helpful tips:

- Plastic toys are NOT recyclable.
- Styrofoam is NOT recyclable.
- If it's a plastic container made to hold food or beverage, it's recyclable!
If it's not, then it belongs in the garbage.

Is It Really Garbage?

- On average, households in Windsor throw away 650kg (1,433 lbs) of garbage per year, taking up valuable space in our landfill.
- Donations to charitable organizations are a great way to avoid sending reusable items to the landfill. Before throwing out furniture, clothing, shoes, appliances or toys, consider donating to a local organization such as:

Rat Extermination Program

Are Rats making it difficult to enjoy your yard?

Minimize interaction by following these simple steps:

- Ensure your garbage container is in good condition and has a secured lid.
- Eliminate sources of water in bird baths, ponds, etc.
- If you feed any animals outside, limit the length of time pet food is placed out.
- Keep your yard free of debris, unsecured garbage and rotting fruits/vegetables.
- If you suspect rats are living on your property, call **311** to inquire about City baiting services. Residential external baiting service only (Program subject to Council approval).

For more information on Nuisance Animals, please visit www.wingsrehab.ca;
