<b>Funding Type:</b>	Relief Program	
<b>Funding Available:</b>	Added insurance coverage for inability to attract sufficient on-farm labour and illness or quarantined on-farm labour and producer due to COVID-19	
<b>Description:</b>	<p>The governments of Canada and Ontario announced a new peril for production loss due to on-farm labour disruptions caused by COVID-19 has been added to Production Insurance customer policies for 2020.</p> <p>This enhancement to yield-based, acreage-loss and ginseng plans covers crop losses, up to the customer's guaranteed production (or number of damaged acres for ginseng), that are due to:</p> <ul style="list-style-type: none"> <li>• Illness or quarantine of the producer due to COVID-19;</li> </ul>	

	<ul style="list-style-type: none"> <li>• Inability to fulfill contracted on-farm labour due to COVID-19; or</li> <li>• Illness or quarantine of on-farm labour due to COVID-19.</li> </ul> <p>With this enhancement, customers will have coverage for production loss due to labour disruptions caused by COVID-19 for the full duration of their 2020 policies, from when the crop is planted all the way to harvest. For perennials, coverage starts at the beginning of the coverage period.</p>
<p><b>Special Conditions:</b></p>	<p>If customers have crop losses at the time of harvest and the cause is on-farm labour disruptions due to COVID-19, they need to call Agricorp at 1-888-247-4999 to report the crop loss.</p> <p>Customers will be expected to have implemented health and safety management practices recommended by public health guidelines, including measures such as distancing and personal protective equipment.</p>
