Description:	<p>Protein Industries Canada (PIC) is an industry-led, not-for-profit organization created to position Canada as a global source of high-quality plant protein and plant-based co-products.</p> <p>Protein Industries Canada will co-invest in collaborative consortia that leverage strengths, address gaps and incent innovation across the value chain. Chosen projects will align to the four priority areas (create, grow, make and sell) and will demonstrate impact up or down the value stream.</p> <p>The Supercluster’s contribution, both in magnitude and in proportion, to an approved project, will be determined by how, and the extent to which, project outcomes are aligned with its program areas and ISI themes, and the potential for transformation.</p>	

Special Conditions:	<p>Protein Industries Canada’s contribution towards eligible project salary and wage expenses will increase to 75 per cent, for the fiscal year April 1, 2020 to March 31, 2021.</p> <p>The project application process is made up of two parts with an Expression of Interest (EOI) required first. The EOI can be downloaded from the following link: https://www.proteinindustriescanada.ca/technology</p> <p>Please refer to Program Website for further details.</p>
