Dear EarlyON Family,

We hope this letter finds you and your family safe and well during this time. We realize staying at home and not being able to see your friends and families can be very difficult. Recognizing this, we have created a webpage called [Activities: Online and at Home](#) to help us all stay connected! WE are bringing our EarlyON to YOU! On our webpage, you will find videos, story time, printable resources and other fun and exciting activities that you can do with the children. We hope these activities will provide an opportunity for you and your family to learn and grow together.

Please check back frequently to see what new ideas we are launching to promote family engagement and community connections by visiting:

Take care, have fun and be safe!

Warmest Regards,

Your Children's Services and EarlyON Team
