Building Words with Lego Letters

WHAT YOU WILL NEED:

- Large Duplo Legos
- Sharpie

WHAT TO DO NEXT:

1. Use a fine tip sharpie and write your child's name, and some other simple words on large Lego bricks.
2. Write the corresponding letters on smaller Lego bricks. Upper case on one side and lower case on the other.
3. Your child will match the letter on the smaller Lego piece to the large Lego brick and spell his/her name or build a word.
4. Model how to click the Legos together correctly.
5. Call out the letters and the words that are built.
