

## Dip-Dye Craft Sticks

### WHAT YOU WILL NEED:

- Paper cups
- Food colouring
- Paper
- Craft sticks
- Water
- Glue
- Glue stick
- Tray

### WHAT TO DO NEXT:

1. In each cup, add food colouring and water.
2. Place a craft stick into each cup.
3. Watch how the craft stick absorbs the colour and how it starts to move up the craft stick.
4. After 1 hour, turn the craft stick over and dip it into a different colour.
5. When completed, glue your dyed craft sticks onto a paper to create a design.
