

Paper Cup Stamping

WHAT YOU WILL NEED:

- Paper cup
- Paper
- Paint
- Skewer
- Containers

WHAT TO DO NEXT:

1. Take a paper cup and turn it upside down.
2. With the skewer, poke holes at the bottom of the cup to create a design (adult assistance required).
3. Pour a small amount of paint into the cup.
4. The paint will begin to drip through the holes.
5. Create your very own stamp by setting the cup down onto the paper.
6. Continue moving the cup all around the paper to create various designs.
