

MAKE YOUR OWN GLITTER JAR

WHAT YOU NEED:

- ◇ Plastic jar, or water bottle
- Water
- ◇ Glitter/sparkles
- ◇ Food colouring (optional)
- ◇ Hot glue gun (optional)
- ◇ Funnel

WHAT TO DO:

- ◇ Use the funnel to fill the bottle with water
- ◇ Add glitter/sparkles and a couple drops of food colouring
- ◇ Secure lid tightly by the use of a glue gun or tape
- ◇ Child can turn the jar upside down, shake it and watch the glitter float and settle to the bottom of the jar
- ◇ Take a picture or video
