

## Stick Creations

### WHAT YOU WILL NEED:

- Sticks, leaves, and other items of choice
- Glue
- Paper or cardboard
- Crayons or markers

### WHAT TO DO NEXT:

1. Collect sticks, leaves, and other items of choice.
2. Place the paper on a flat surface.
3. Arrange sticks and other materials to design your own creations.
4. Glue the materials to the paper or rearrange them to create something new.
5. Extension Ideas:
  - You might try designing a house by placing your sticks into different shapes such as squares, rectangles, and triangles.
  - You might enjoy creating stick figures to represent your family. Who is the tallest? Who is the shortest? Which materials would you use to represent hair and clothing?
