## ABORIGINAL CHILD RESOURCE CENTRE

*Programs and  
services provided  
to families with  
children six  
months to  
six years.*

**ABORIGINAL CHILD  
RESOURCE CENTRE  
GOALS:**

To provide support to strengthen families with children, ages six months to six years, through provisions of holistic healing and preventive programs and services.

Programs and services are made in a cultural based manner that targets the healthy development of infants and the early years of the child's life.

To provide education, prevention and support to parents and caregivers of young children.
